## THINSET MORTAR FLEXIBLE / WHITE CERAMIC TILES / NATURAL STONE

Tile / Stone Thin-set mortar  
-Flexible and polymer modified  
-Fiber reinforced

**USES:** Bonds vitreous, semi vitreous tile, ceramic, mosaic, porcelain, glass tile, gauged natural stone, brick veneer.

White mortars are used when installing light colored or translucent marble or glass tiles.

Do not use to install resin-backed stone or tiles.

When setting any tiles larger than 12x12 inches ( 30X30 cm ) or flexible tiles, check with technical services regarding subfloor deflection.

**SURFCES:** Concrete, mortar beds, brick, masonry, cement based backerboards.

### AVERAGE COVERAGE

Coverage vary depending on the tile size and trowel notch size.

Using 1/4 inch Square-notch trowel

**For the tile sizes of :**

Long side of the tile less than 8 inches: 80-90 ft<sup>2</sup>

Long side of the tiles between 8- 15 inches: 53-60 ft<sup>2</sup>

Back buttering maybe necessary

This chart is for estimating purposes. Coverage vary based on the installation practises and jobsite conditions.

Área limpia

Add cool, clean water to mixing container.  
Añadir agua fría y limpiar al recipiente d

Add mortar  
Añadir mortero

Mix mortar into water  
Mezclar mortero con agua.

Wait 5-10 minutes  
Esperar 5-10 minutos

Re-mix mortar  
Mezclar en el mortero

Apply skim coat with flat side of trowel  
Aplicar una capa delgada con el lado plano de la paleta

Apply mortar with notch trowel  
Aplicar en el mortero con la muesca llana.

Press tile firmly into place  
Presionar la baldosa firmemente hasta ponerla en su lugar

Level surface to match other tiles  
Nivelar la superficie para que coincida con las otras baldosas

Clean off excess mortar with damp sponge  
Limpiar el exceso de mortero con una esponja húmeda

Wait 24 hours before using or grouting surface  
Esperar 24 horas antes de usar o aplicar lechada a la superficie

Clean joints.  
You are ready to grout..  
Limpiar las juntas  
Está listo para la lechada...

## WARNING – HAZARDOUS MAY CAUSE IRRITATION

**RISK:** May cause respiratory, skin and eye irritation.

**SAFETY:** Avoid contact with the eyes and skin. Avoid inhaling the vapors and wear suitable protective clothing covering the skin including eye protection, gloves, and suitable respirators. Keep out of the reach of children.

**FIRST AID:** Flush eyes and wash skin thoroughly with clean water. If inhaled, vacate area immediately. Seek medical attention if irritation persists. If swallowed do not induce vomiting. Drink plenty of clean water and seek medical attention immediately.

**SPILLS / LEAKS:** Maintain work area and keep it clean. Keep out of sewers and storm drainage.

**DISPOSAL:** Follow above safety instructions and collect in disposal containers in accordance to local disposal requirements.

**MANUAL HANDLING:** The manual handling of this product without due care and attention could result in physical injury. Wear back supports and use team lifting when manual lifting is required. Follow all OSHA recommendations.

**ADDITIONAL INFORMATION / UPDATES:** Updated Material Safety Data Sheet ( MSDS ) and Product Data Sheet ( PDS ) are available at [KEMSET.COM](http://KEMSET.COM)

**WARRANTY:** KEMSET USA warrants this product to be of merchantable quality when used or applied in accordance with the instructions herein. The product is not warranted as suitable for any purpose or use other than the general purpose for which it is intended. Liability under this warranty is limited to the replacement of the product found to defective as purchased. In the event of a claim under this warranty, notice must be given to KEMSET USA in writing. This limited warranty is issued and accepted in lieu of other express warranties and expressly excludes liability for consequential damages.

**WARNING:** This product contains impurities known to the State of California to cause cancer and / or birth defects or other reproductive harm

## Keep out of the reach of children.
